Shout Out!

Let them know you're still there!

Shout Out! is a video promotion by MOZA Digital to let people know your doors are still open for business!

Our friends, family, and neighbors make up local business. They always face struggles, but COVID-19 is unprecedented.

That is why we created **Shout Out!** Short video promotions posted on multiple social media outlets to be viewed by anyone and shared with everyone! Your smiling face is the perfect way to show customers you are still there and still care. It's simple, effective, and takes just 5 minutes.

Highlight:

- Recent curbside service**
- New specials**
- Reduced or extended hours**
- Need for counter help**
